Viera, Fla. — The Florida Department of Health in Brevard County (DOH-Brevard) is changing its COVID-19 vaccination strategy; effective Wednesday, April 28, appointments will no longer be required. The Moderna COVID-19 vaccine will be offered, based on availability, Monday – Friday from 8:15AM – 11:15AM and 1:00PM – 4:00PM at 2555 Judge Fran Jamieson Way in Viera. Those arriving for vaccine will be provided directions upon entering the parking lot.

This shift will allow us to transition to an indoor environment before summer storms and higher temperatures negatively impact outdoor, drive-through operations. Most importantly, DOH-Brevard will be more effective and will be able to reach underserved populations through increased outreach events throughout the county.

Review the [COVID Vaccine Fact Sheet](#) and screening questions on the [COVID-19 Vaccine Screening and Consent Form](#) prior to your arrival. Bring a completed [COVID-19 Vaccine Screening and Consent Form](#) for more efficient service.

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
